

# DSC & Legal Services:

## 1)🔒 Digital Signature Certificate (DSC)

**Secure. Reliable. Legally Valid.**

In today’s digital world, your identity matters.  
A **Digital Signature Certificate (DSC)** helps you sign documents online – safely, instantly, and legally. Whether it’s for business, taxation, or Tally invoices, we make the process simple and secure.

### 👛 Where You Can Use DSC

- **e-Tendering & e-Filing** – For GST, Income Tax, MCA, and more.
- **Tally Integration** – Generate digitally signed invoices in TallyPrime or ERP 9.
- **Business Agreements** – Legally sign contracts and documents online.
- **Government Portals** – Required for various official and compliance purposes.
- **Banking & Financial Documents** – Securely approve and verify transactions.

### 🌟 Why Choose UJSS Services?

-  Authorized Partner for DSC issuance
-  Quick and hassle-free registration process
-  Secure & encrypted signatures
-  Class 3 and DGFT certificates available
-  Expert guidance for setup and integration

Go paperless with legally valid digital signatures that save time and protect your data.  
Get your **Digital Signature Certificate** today with **UJSS Services** where security meets convenience.

## 2)Startup

### Start Your Business with Confidence

At **UJSS Services**, we help entrepreneurs and startups register their business quickly, legally, and hassle-free.  
From **One Person Company (OPC)** to **Public Limited Company**, our experts handle everything – from name approval to final incorporation – so you can focus on growing your business.

## One Person Company (OPC) Registration

### **Ideal for solo entrepreneurs.**

We assist individuals in registering their **One Person Company (OPC)**, providing full ownership and limited liability benefits.

Our team manages:

- Name approval and document preparation
  - Filing with the **Ministry of Corporate Affairs (MCA)**
  - Smooth and quick registration process
- ✓ *Perfect for individuals who want to start their own venture with complete control.*

## Limited Liability Partnership (LLP) Registration

### **A modern business structure for small teams.**

We provide complete assistance in forming an **LLP**, which combines the flexibility of a partnership with limited liability protection.

Our services include:

- Name reservation and LLP agreement drafting
  - Partner documentation
  - Filing with **MCA** and end-to-end compliance support
- ✓ *Best for professionals and startups who want flexibility with protection.*

## Private Limited Company Registration

### **The most preferred business structure in India.**

We help you incorporate your **Private Limited Company**, offering credibility, investor trust, and limited liability.

Our experts take care of:

- Name approval and incorporation forms
  - Director Identification Number (DIN) and Digital Signature Certificate (DSC)
  - Filing with **MCA** and all legal compliances
- ✓ *Ideal for startups and growing businesses planning to scale.*

## Public Limited Company Registration

### **Build a business with greater reach and transparency.**

We assist entrepreneurs in registering a **Public Limited Company** under the **Companies Act, 2013**.

Our process includes:

- Name reservation and documentation
  - Filing with the **Ministry of Corporate Affairs (MCA)**
  - Guidance on post-registration compliance
- ✓ *Suitable for large businesses planning to raise funds publicly.*

## ☀️ Why Choose UJSS Services?

- ⚙️ Complete end-to-end registration support
- 📄 Assistance with legal documentation & filings
- ⌚ Fast, transparent, and hassle-free process
- 💬 Expert guidance for choosing the right business type
- ✅ MCA-compliant and government-approved procedures

## 3) GST & Taxation:

### Simplify Your Tax Process with Expert Assistance

Managing taxes and compliance doesn't have to be complicated.

At **UJSS Services**, we make GST registration, return filing, and Income Tax e-filing effortless and accurate — helping individuals and businesses stay compliant without stress.

#### 📄 GST Registration

**Register your business with ease.**

We provide complete assistance for **Goods and Services Tax (GST) registration**, which is mandatory for all businesses in India.

Our services include:

- Document collection and verification
- Online application filing with GST portal
- Follow-up for timely approval and certificate issuance
- ✅ *Stay compliant and start billing with a valid GST number in no time.*

#### 👛 TDS/TCS Return Filing

**Accurate filing, every time.**

We offer professional assistance in preparing and filing **TDS (Tax Deducted at Source)** and **TCS (Tax Collected at Source)** returns.

Our experts ensure:

- Accurate computation of tax deductions and collections
- Proper documentation and challan preparation
- On-time filing as per Income Tax Department guidelines
- ✅ *Avoid penalties and maintain smooth tax compliance with our expert support.*

#### 💻 Income Tax e-Filing Made Easy

**Simplify your tax filing process.**

We provide end-to-end support for **Income Tax e-filing** from data collection and tax

calculation to online submission and acknowledgment.

Our services cover:

- Individual, business, and corporate returns
  - Computation of tax liability and deductions
  - Secure and compliant e-filing with confirmation receipt
- ✔ *Save time, stay compliant, and file your taxes the easy way.*

## ☀ Why Choose UJSS Services?

- ✔ Expert team with years of tax filing experience
- ⚙ End-to-end documentation and online filing support
- ⌚ Fast, accurate, and hassle-free process
- 💬 Transparent communication and timely updates
- 🔒 100% data confidentiality and compliance assurance

## 🚀 Stay Compliant. Stay Confident.

From **GST registration** to **Income Tax filing**, UJSS Services ensures your business stays compliant and stress-free.

We handle the complexities so you can focus on your growth.

✉ *Contact us today for smooth, secure, and professional tax management services!*

## 4)license registration:

### Start, Grow & Run Your Business the Right Way

At **UJSS Services**, we help you handle all your **legal registrations and licenses** in one place quickly, professionally, and hassle-free.

From environmental clearances to startup certifications, we make sure your business stays 100% compliant while you focus on growth.

### 🌿 Maharashtra Pollution Control Board (MPCB) License Registration

Ensure your business meets all environmental norms with our expert support.

We handle documentation, application filing, and coordination with MPCB authorities for smooth approval.

✔ *Stay compliant with environmental laws and operate responsibly.*

### 🇮🇳 Shop Act License (Gumasta) Registration

Get your **Shop Act License** mandatory for shops and commercial establishments in Maharashtra.

Our team manages documentation, online filing, and timely follow-up.

✔ *Operate legally and build customer trust with a valid Gumasta license.*

## **Startup Registration Certificate**

### **Kickstart your dream idea into a recognized startup!**

We help you register under the Government of India's **Startup India Scheme** and enjoy benefits like:

- Tax exemptions & government funding opportunities
  - Easy compliance & faster approvals
- ✔ *Turn your idea into a registered business and grow faster.*

## **Import Export Code (IEC) Registration**

### **Expand your business beyond borders.**

We assist with **Import Export Code (IE Code)** registration mandatory for all export/import activities.

Our experts handle documentation, DGFT filing, and follow-ups until approval.

✔ *Start trading globally with ease and confidence.*

## **Food License (FSSAI Registration)**

### **Operate your food business legally and safely.**

We assist in obtaining your **FSSAI Food License**, covering:

- Document collection & application filing
  - Liaising with FSSAI authorities for approval
- ✔ *Ensure your food business meets India's food safety standards.*

## **ISO Certification | ISO 9001:2015 | ISO Standards**

### **Show your commitment to quality.**

We help you obtain ISO certifications like **ISO 9001:2015** and others to improve credibility and customer trust.

Our services include:

- End-to-end documentation
  - Audit preparation & certification assistance
- ✔ *Demonstrate your business excellence with ISO compliance.*

## **Udyam (MSME) Registration**

### **Empower your small business with government recognition.**

We make it easy to get your **Udyam MSME Registration**, enabling access to:

- Subsidies, tax benefits & financial aid

- Priority in government tenders
  - ✓ *Grow faster with official MSME recognition.*
